Now, let's see how this is done!

Maybe we should do it this way?

It sure is a mystery!

This one goes here; that one goes there.

THE STARLITE STAFF

Susan Moore, Associate Editor; Jim Sumerel, Business Manager; Mrs. Hettie Rice, Faculty Advisor; Jennie Barnett, Layout Editor; and Linda Parks, Editor

I love the way Mrs. Rice says, "Type this one, Shirley."

"Judy, you get busy on that one."

IN APPRECIATION OF OUR TEACHERS

In appreciation of our teachers who have brought us to this point; the ones who have strived to help us gain knowledge in our field of study. May their years be a success as they bring up the many future students who will be graduating one day soon. Each one will be responsible for learning as much as possible from his teacher. Thanks for your time and consideration with us.

DEDICATION

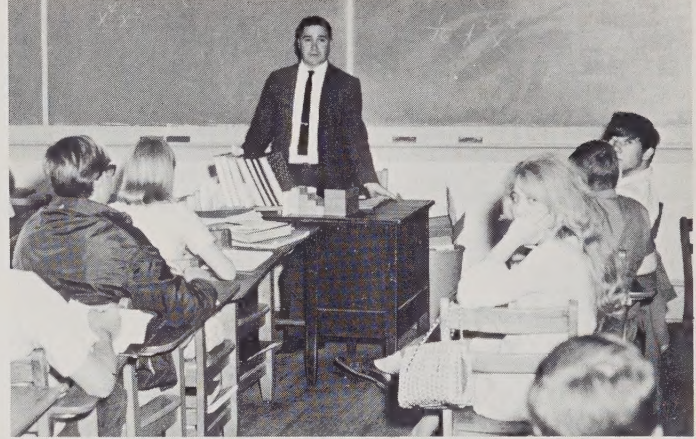

The students of Hot Springs have been fortunate to have among its teachers a very special one to all. Her dedication to her work is overwhelming, She is a wonderful teacher who is always there to help us. With all this in mind, the Senior Class of 1971 affectionately dedicates this annual to Mrs. Hettie B. Rice.

CAMPUS LIFE

We dedicate our 1970 annual to Mr. Harrison.

The main idea is to keep the car in the road.

Mrs. Henderson, we miss you.

Put it in his mouth, not his ear!

Now, Gary, it's this page.

How much longer till the bell rings?

Did you see that bad call?

The joys of school world!

A man who
helped a lot
of people & no
one of
them really
likes it
because I
don't want
to let them
down. I
can't let
them down
but I hope
we don't
keep doing
a good
